# SOLA FIDE

## ***OVERVIEW***

Sola fide, which means "by faith alone," is important because it is one of the distinguishing characteristics or key points that separate the true biblical Gospel from false gospels. At stake is the very Gospel itself and it is therefore a matter of eternal life or death. Sola fide or faith alone is a key point of difference between not only Protestants and Catholics but between biblical Christianity and almost all other religions and teachings. The teaching that we are declared righteous by God (justified) on the basis of our faith alone and not by works is a key doctrine of the Bible. Biblical Christianity is distinct from every other religion in that it is centered on what God has accomplished through Christ's finished work, while all other religions are based on human achievement. Therefore we are justified by our faith alone and not by any works that we do, if our salvation was dependent on our works then we could not attain it.

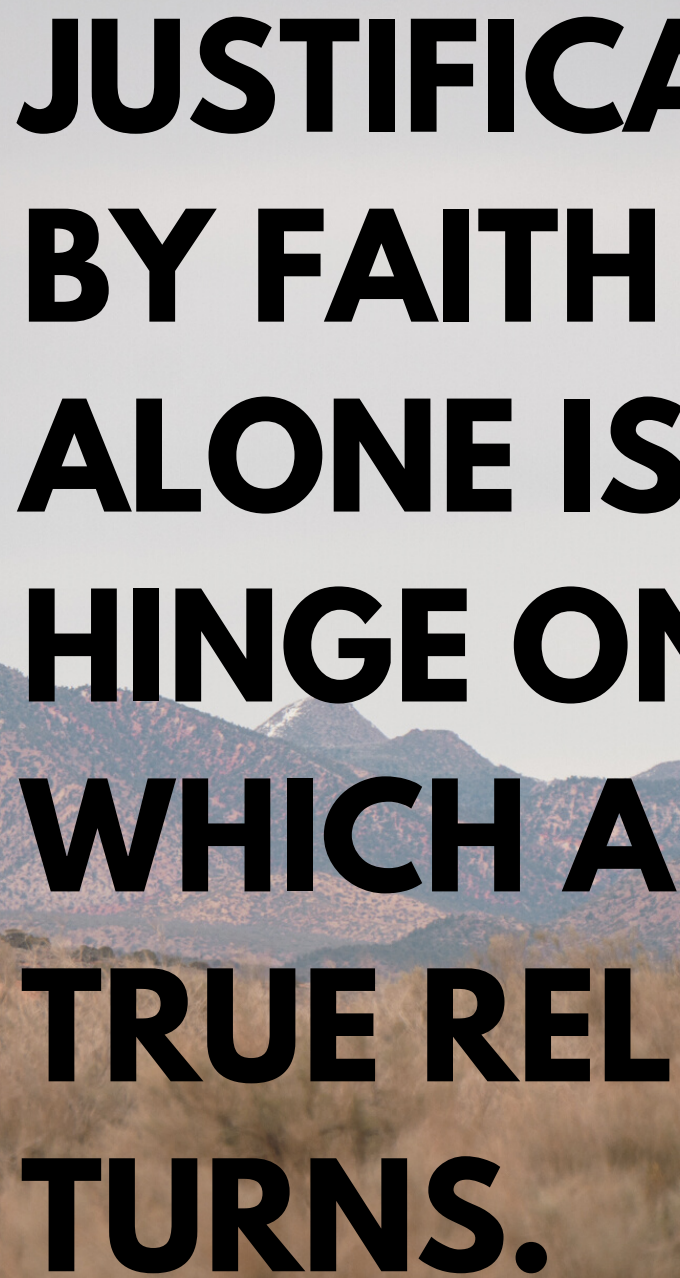

**JUSTIFICATION  
BY FAITH  
ALONE IS THE  
HINGE ON  
WHICH ALL  
TRUE RELIGION  
TURNS.**
